About Dogeboo

DOGEBOO is a cryptocurrency built within the Binance Smart Chain ecosystem. We choose BSC as our Blockchain, because the technology is very suitable for the needs of our project, which :

1. Cheap Transaction Cost
2. Fast Block Times

Our Philosophy

#DOGE #BOO #ARMY #DOGEBOO #DOGECOIN

DOGEBOO

ur welcome

7:57 AM · Feb 4, 2021 · Twitter Web App

DOGECOIN is one of the phenomenal cryptocurrencies, even DOGECOIN is a cryptocurrency that is included in the list of the top 10 market caps. That's why we are so amazed and hope that by using the DOGECOIN name we can follow in DOGECOIN footsteps of success.

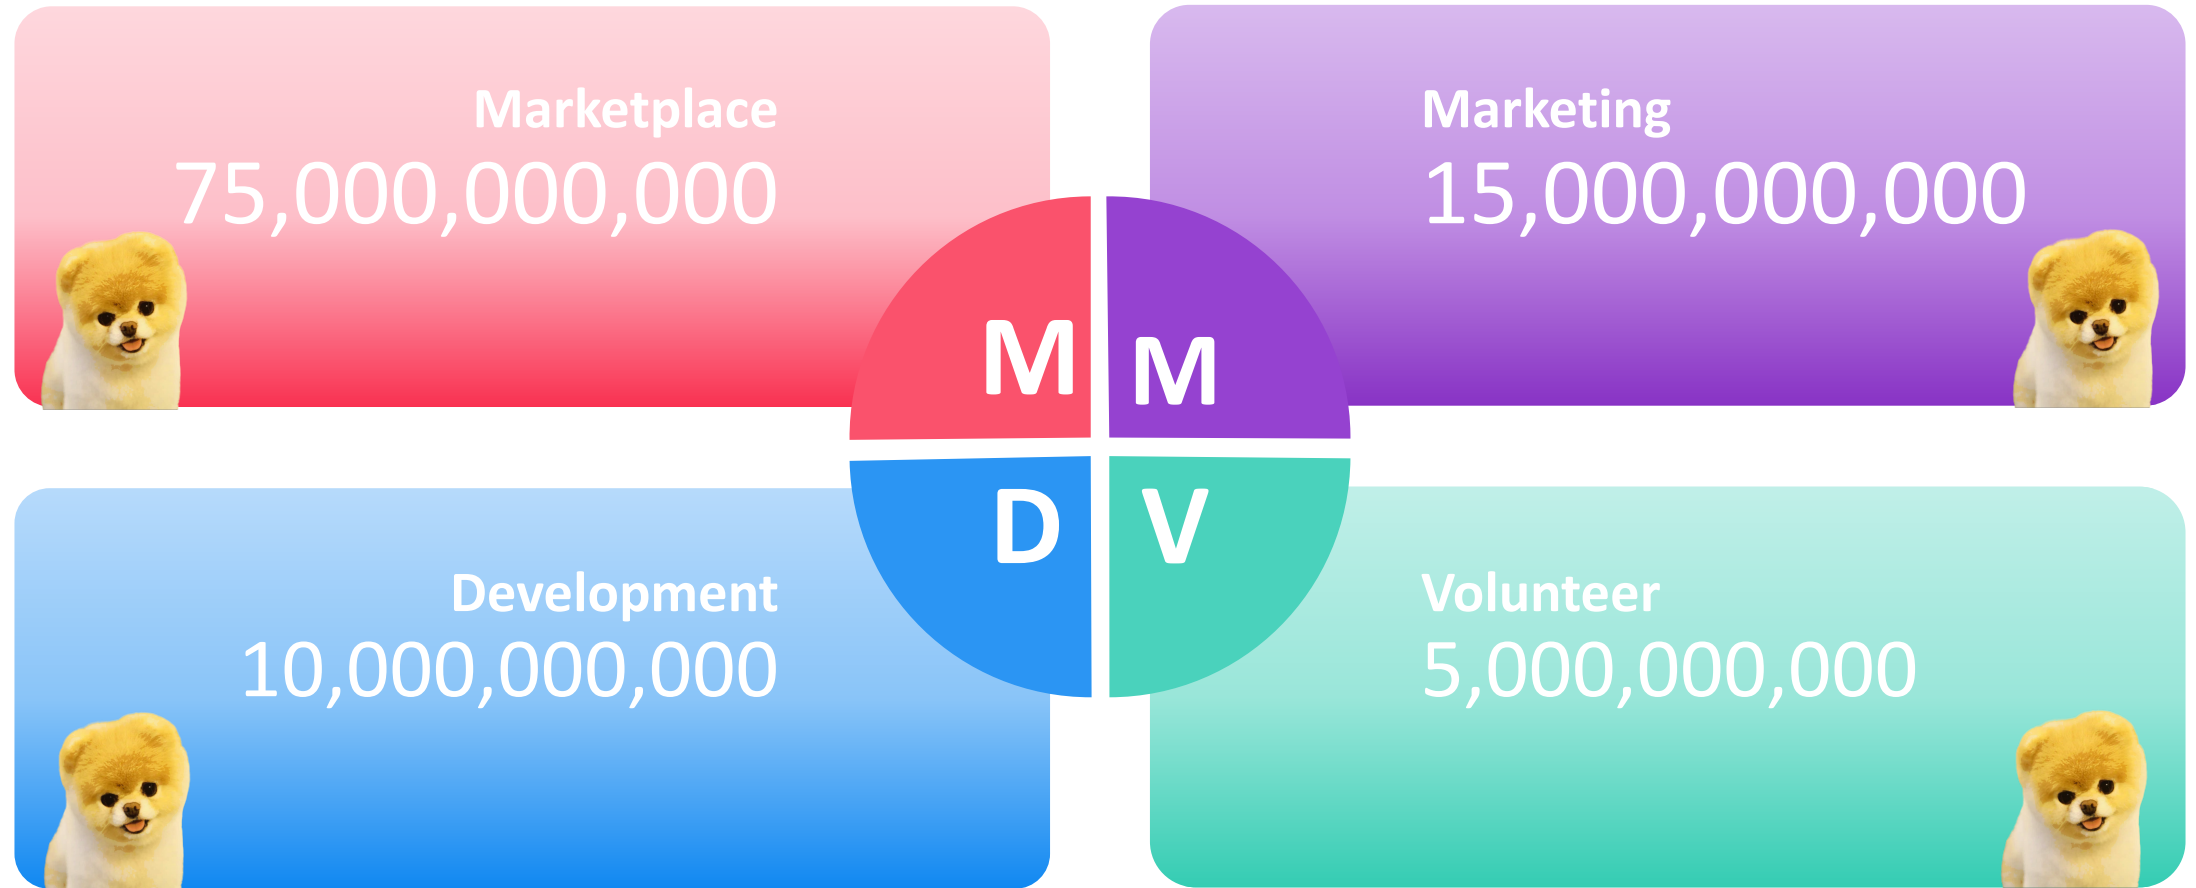

BOO is a dog name that is crowned as the cutest dog in the world, he died at the age of 12 which made many people cry when they heard it. That's why we choose the name BOO, because we wanted to bring BOO back to life in the blockchain world.

That's the reason why we choose DOGEBOO as our coin name. And our mission is to help the dog shelter community around the world by making donations.

Tokenomics

TOTAL SUPPLY 100,000,000,000 DOGEBOO

We will burn 50% Supply in 1 year until only remains 50% remains! we inspired with Boo the cutest dog in the world, he died in 12 years old, so we will burn every month until 12 times and reduce our supply, so dogeboo price in long term absolutely going to the moon!

1% Deflation Detail

#DOGE #BOO #ARMY #DOGEBOO #DOGE COIN
